

MAIN-FRAME™

THE REVOLUTIONARY
PROGRESSIVE NEW PRODUCT FROM
WINNERS EDGE® FOR SHOW CATTLE

Feeders today know that the cost of gain is rising everyday and with ever-faster growing animals, feed efficiency, skeletal soundness and mobility have become the all important issues.

You need a product that will meet all of your animal's needs and yours!
Introducing MainFrame™, the newest line of products from WINNERS EDGE®
created to address these important concerns head on.

Winners Edge® customers know firsthand the benefits of feeding Winners Edge® products - better feed conversion, higher digestibility and microbial synthesis, reduced stress, increased fertility. MainFrame™ is a modified adaptation of the Winners Edge® Show Cattle Feed Additive that has been the industry standard for over 25 years.

MainFrame™ is designed to enhance bone density, promote normal cartilage formation and further advance feed conversion through a combined process of physical and chemical adsorption by integrating a unique & exclusive blend of hydrates, known as zeolites, and naturally occurring botanicals. Through recent studies, these compounds have shown the ability to bind and block the release of certain mycotoxins that inhibit or alter these important functions without affecting essential nutrients.

As with all Winners Edge® products, MainFrame™ is complete, all natural and fortified with all micro and macro chelated minerals, vitamins, amino acids, buffer, Kicker™ probiotics and enzymes just like the original PLUS the added benefits of these new components to keep 'em on their feet and on their feed.

MainFrame™ is available in 25# EZ-Stor pails and 50# bag. For best results, top dress and mix into feed 4 ounces daily per head from start to finish.

CALCIUM (Ca)	MIN. 13.00%	MAX. 14.75%	IODINE (I)	MIN.	30 ppm
PHOSPHORUS (P)	MIN. 5.00%		SELENIUM (Se)	MIN.	5 ppm
SALT (NaCl)	MIN. 5.0%	MAX. 6.50%	VITAMIN A	MIN.	100,000 IU/LB.
MAGNESIUM (Mg)	MIN. 1.0%		VITAMIN D3	MIN.	5,000 IU/LB.
POTASSIUM (K)	MIN. 2.5%		VITAMIN E	MIN.	200 IU/LB.
SULFUR (S)	MIN. 0.50%		LYSINE	MIN.	1.00%
COPPER (Cu)	MIN. 100 ppm		METHIONINE	MIN.	0.50%

INGREDIENTS: Monocalcium Phosphate, Calcium Carbonate, Potassium Sulfate, Magnesium Sulfate, Ferrous Sulfate, Salt, Sodium Selenite, Alumina Silicate, Copper Sulfate, Cobalt Carbonate, Manganous Oxide, Ethylenediamine Dihydriodide, Vitamin A Acetate, D-Activated Animal Sterol (Source of Vit. D3), Alpha Tocopherol Acetate (Source of Vit. E), Vitamin b12 Supplement, Niacin Supplement, Soybean Meal, Calcium Pantothenate, Menadione Sodium Bisulfite Complex, Folic Acid, Pyridoxine Hydrochloride, Thiamine Mononitrate, Biotin, Choline, Zinc Sulfate, Sulfur, Sodium Sulfate, Manganese Sulfate, Zinc Methionine Complex, Lysine, Lactobacillus Acidophilus, Bifidobacterium Thermophilum, Bifidobacterium Longum and Dried Enterococcus Faecalis Fermentation Product, Yucca Schidigera Extract.

DO NOT FEED TO SHEEP-CONTAINS COPPER!
